

NEW = After 9/16/19	WAS = Prior to 9/16/19	NOTE	Rev. Date
S001	S001	<ul style="list-style-type: none"> •Suppliers at all levels of the supply chain shall be registered to either: 1. Quality Management Systems - Aerospace - Requirements of AS/EN/JISQ 9100, or; 2 Quality Management Systems - Aerospace Requirements for Stock List Distributors AS/EN/JISQ9120. The suppliers' certificate of registration to the applicable Quality Management System shall be issued by a Certification Registration Body accredited by the International Aerospace Quality Group as recognized by SAE AS9104. Special Process Suppliers Shall Be Accredited to Nadcap Ac7004. Nadcap Certificates of Registration Must Be Submitted to Nabtesco If Not Otherwise Available. Suppliers shall permit Nabtesco access to all data in OASIS and NADCAP databases including registration documentation, certification, audit reports, findings, corrective actions, etc. The supplier is responsible to notify Nabtesco of any changes in the certification / registration / accreditation or major audit findings within (2) business days of receiving notification of the change or finding. Examples of changes in registration include new certification, suspension, or expiration. Suppliers not certified / registered / accredited are subject to removal from the Approved Supplier List. If Nabtesco elects to continue a business relationship with the supplier, the supplier is subject to QMS and / or Special Process audits by Nabtesco Aerospace, Inc.. Suppliers may be required to reimburse Nabtesco Aerospace, Inc. for the cost of conducting these audits until certification / registration / accreditation is achieved/restored. •Supplier shall use customer-designated or approved external providers, including process sources as flowed in additional requirements contained on this PO. •The Supplier Shall Not Use Dispositions of Use-As-Is or Repair on Products Covered by This Purchase Order. •Seller Shall Provide Written Notification to Nabtesco Procurement Agent When a Nonconformance Is Determined to Exist, Or Is Suspected to Exist, On Product Already Delivered to Nabtesco Aerospace, Inc. (Notification of Escapement) Written Notification Shall Include: A. Affected Process (es) or Product Number(s) and Name(s); B. Description of The Nonconforming Condition and The Affected Engineering Requirement (I.E., What It Is and What It Should Be); C. Quantities, Dates, Purchase Orders and Destinations of Delivered Shipments; D. Suspect/Affected Serial Number(S) or Date Codes, and Airplane Line Units When Applicable. Notification Must Occur Within Three (3) Business Days of Knowing All the Above Information. If the Condition Is Possible Safety of Flight, Submit All Available Information Immediately to Nabtesco Aerospace, Inc. Escaped Product Is to Be Investigated and Communicated to Nabtesco. The Nonconformity and NOE Requirements Set Forth Above Shall Be Flowed Down by Supplier to Their Supply Chain. For Purpose of This Note, Supply Chain Shall Mean Seller's Complete Network of Material, Equipment, Information, And Services Integrated into Products and Services. •Seller shall plan, implement and control a process appropriate to the product that prevents the use of counterfeit product and/or their inclusion in product(s) delivered to Nabtesco Aerospace, Inc. •Seller Agrees Not to Make Any Change in Materials, Processes, Design Details or Manufacturing Location of The Part or Service Without Written Approval from Nabtesco Aerospace, Inc. This Shall Include Changes in Materials, Processes, Design Details or Manufacturing Location of Subcontractors. In Addition to These Changes, Changes Which Would Affect the Part or Any Component Part Thereof with Regard To; A. Part Number Identification; B. Physical or Functional Interchangeability, and; C. Repair and Overhaul Procedures and Processes and Material Changes Which Affect These Procedures without Prior Written Approval from Nabtesco Aerospace, Inc. Is Prohibited. If Such Change Approval Is Granted, All Part Numbers and The Originals of All Drawings or Data Shall Be Revised and Provided to Nabtesco Accordingly. •No Subcontracting of The Items Contained Herein Shall Be Permitted Without Written Authorization from Nabtesco Aerospace, Inc. Procurement. •Seller Is Required to Notify Nabtesco Aerospace, Inc. Procurement Agent If Procured Item Is Manufactured at A Seller Facility Not Reflected on The Procurement Document. •Supplier shall provide test specimens for design approval, inspection/verification, investigation, or auditing; as may be flowed in additional requirements contained on this PO. •Seller Shall Maintain, And Have Available on A Timely Basis, Quality Records Traceable to The Conformance of Product/Part Numbers Delivered to Nabtesco Aerospace, Inc. Seller Shall Make Such Records Available to Regulatory Authorities, Nabtesco's Customer and Nabtesco's Authorized Representatives. Seller Shall Retain Such Records for Calendar Year + 10 Years from The Date of Shipment Under Each Applicable Order for All Product/Part Numbers Unless Otherwise Specified on 	9/6/2019

		<p>Supplement Order. Each Approver Shall Retain Records, and Transfers Same, Until the Expiration of The Order. At the Expiration of Such Retention Period And Prior To Any Disposal of Records, Seller Will Notify Nabtesco Aerospace, Inc. of Records to Be Disposed of And Nabtesco Aerospace, Inc. Reserves the Right to Request Delivery of Such Records. In the Event Nabtesco Aerospace, Inc. Chooses to Exercise This Right, Seller Shall Promptly Deliver Such Records to Nabtesco At No Additional Cost on Media Agreed to By Both Parties.</p>	
NTA01	NA01	<p>AS/EN/SJAC 9102 And Unless Otherwise Specifically Authorized in Writing by Nabtesco Aerospace, Inc., Seller Shall Document Within the Net-Inspect Software. Nabtesco Aerospace, Inc.
